There is an AP app on your Chromebook that you should have already accessed and taken the readiness steps to prepare you for the exam. Please do this ASAP if you have not already done so and let your AP teacher know if you have any issues. You will not be able to take the exam if you have not taken the readiness steps. **You must go through the readiness steps for each class you are taking an AP test.**

You will also need to complete the Exam Setup 1 to 3 days before testing. You will not be able to access the exam if you do not complete the Exam Setup before testing. On Exam Day you must sign in to College Board 30 minutes prior to testing. You will be provided with codes and instruction at that time. Your AP teacher(s) will be able to provide additional information about testing.

Depending on your testing day and time, you may want to continue with Distance Learning for the remainder of the testing day. Your absence will be cleared with attendance for your designated testing time.

Be sure and check your emails from College Board and us. College Board has been sending you all the information you need including this link: <https://apstudents.collegeboard.org/digital-ap-exams>

You are required to abide by the policies of both the College Board and Lemoore High School during the exam period. Misconduct can jeopardize your grade.

If you have any questions, please contact me at 924-6600, ext. 2217 or by email at sgonzales@luhsسد.k12.ca.us. Get a good night's rest before your test.

Good Luck!
