Subject: Surplus Push Press Machine

Background:

In preparation for remodeling the weight room next summer, we have identified a push press machine that is obsolete and no longer used by our PE or Weight Lifting program.

As weight room items are identified for surplus throughout the year we plan to sell as much as we can through online public auction. Whatever we cannot sell we will dispose of.

This machine was acquired January, 2000.

Declare the items surplus, worth less than \$2,500, and allow the staff to dispose of it.
