2018-19 School Student Counts

The purpose of this data collection is to allow the LEA to enter school-level student data. The information entered will be used to calculate eligibility and ranking for Title I, Part A school allocations.

Required fields are denoted with an asterisk (*).

NOTE: Your LEA has previously certified this data collection as official. One or more other data collection(s) may be dependent on this data collection. Please be aware if a change is saved and certified, it may cause a dependent data collection to become obsolete and your LEA may have to revise and resubmit those data collection(s).

- * After serving schools that exceed 75 percent low income, from highest to lowest, schools will then be ranked and served annually by:
 - Highest to lowest within the LEA
 - Highest to lowest by grade span
- (Note: This selection impacts the order in which schools are displayed in the Title I, Part A School Allocations form.)

* Select a low income measure:

Comment:
If composite is the low income measure selected, then an explanation must be provided detailing how the student count is derived.
